Par Anthony Trollope : Can You Forgive Her? before purchasing it in order to gage whether or not it would be worth my time, and all praised Can You Forgive Her?:

Description : Description du produitFirst published serially in 1864-1865 and in book form in 1864 (Volume I) and 1865 (Volume II) The Palliser series consists of: Can You Forgive Her? Phineas Finn, The Eustace Diamonds, Phineas Redux, The Prime Minister, and The Duke's Children.

Prsentation de l'diteur'She loved him much, and admired him even more than she loved him...Would that he had some faults!'Alice Vavasor is torn between a risky marriage with her ambitious cousin George and the safer prospect of a union with the formidably correct John Grey. Her indecision is reflected in the dilemmas of her friend Lady Glencora, confined in the proprieties of her life with Plantagenet Palliser but tempted to escape with her penniless lover Burgo Fitzgerald, and of her aunt, the irreverent widow Mrs Greenow, who must choose between a solid farmer and an untrustworthy soldier as her next husband.Each woman finds her choice bound up with the cold realities of money, and the tension between public expectation and private

inclination. *Can You Forgive Her?* is the first of Trollope's six Palliser novels, and its focus on the exercise of power, whether in the masculine world of parliament and the professions, or within the domesticities of friendship, courtship, and marriage, signals a new breadth and diversity of interest in his fiction.

Revue de presse "Anthony Trollope knew more about women than any other novelist of his time" (Joanna Trollope) "He is not a soothing writer at all, in fact he's rather subversive. Nobody gets away with anything in Trollope" (Victoria Glendinning) --Victoria Glendinning "Trollope is wonderful, a major novelist, a joy... particularly admire his empathy with his characters, and the way in which he describes women...unique among male novelists, better even than Henry James, in his ability to enter the lives of women characters, and women on their own" (P.D. James) --P.D. James "Pithy and pungent, almost like Jane Austen" (Amanda Craig) --Amanda Craig
