## Description :

Prsentation de l'diteur Churchill fought the war twice over - as Prime Minister and again as its premier historian. In 1948-54 he published six volumes of memoirs which secured his reputation and shaped our understanding of the conflict to this day. Using the drafts and correspondence for The Second World War, David Reynolds opens our eyes to Churchill the author and to the research 'syndicate' on whom he depended.

We see how the memoirs were censored by Whitehall to conceal secrets such as the codebreakers at Bletchley Park, and how Churchill himself censored them to avoid offending current world leaders. This

book forces us to reconsider much received wisdom about the war and illuminates an unjustly neglected period of his life - the Second Wilderness Years of 1945-51, when Churchill, now over seventy, wrote himself into history, politicked himself back into Downing Street and delivered some of the most important speeches of his career. Churchill fought the war twice over - as Prime Minister and again as its premier historian. In 1948-54 he published six volumes of memoirs which secured his reputation and shaped our understanding of the conflict to this day. Using the drafts and correspondence for The Second World War, David Reynolds opens our eyes to Churchill the author and to the research 'syndicate' on whom he depended. We see how the memoirs were censored by Whitehall to conceal secrets such as the codebreakers at Bletchley Park, and how Churchill himself censored them to avoid offending current world leaders. This book forces us to reconsider much received wisdom about the war and illuminates an unjustly neglected period of his life - the Second Wilderness Years of 1945-51, when Churchill, now over seventy, wrote himself into history, politicked himself back into Downing Street and delivered some of the most important speeches of his career. David Reynolds is a professor of international history at Cambridge University. He has held visiting positions at Harvard and at Nihon University in Tokyo and is the author of eight books, including *In Command of History: Churchill Fighting and Writing the Second World War* (2004), which was awarded the Wolfson Prize, Britain's highest honor for the writing of history, and was selected as a New York Times Notable Book of the Year.
